

THRIVE

It's not just about the furniture.

It's about the people who use it.

It's about you.

DTE Interiors has been supplying commercial and residential furniture for over two decades, offering some of the most dynamic and diverse professional lines in the industry. With in-house designers and a commitment to superior customer service, DTE takes a singular and unique approach to each project that partners our experience and expertise with your desires and unique needs.

Specializing in commercial, government, and healthcare environments, DTE sees our clients through every step of the work space solution process. From initial design consultation, working drawings and remodeling, to final delivery and follow-up inspection, our staff is unrelenting in finalizing your project to your complete satisfaction.

Bringing you top-of-the-line manufacturers like Teknion, HBF, and Krug, DTE is positioned to create a furniture solution that not only meets your needs but exceeds your expectations.

We take pride in providing environments that promote working, learning, and healing.

DTE Interiors. Creating the right space where you can thrive.
